You

I'm a wreck today. I've hit itchy pubic hair too

It's a rash

The trick is not to shave cos then u get prickly heat

TgSt Michael asshole I slept with said oh I love your pubic hair kind of nice lady garden thing not too curly wurly not too shaved

As dhole of the century None of his business

This is the one who woke up in the morning said he went to orgies

Why did I go there

I hot footed it to the clap clinic but made him wear jonnys

Oh I've got a lovely dick said he

Gadd it was Fg minute. I couldn't find it

That wasy my worst shag ever

You are naive ugly stupid and badly educated

That is me being generous!!!!!!

You have no future in acting or with that silly crude show

That channel four documentary I don't think will air or that thing you are doing

This is the tip of the iceberg of what I could be saying.

Noonbe who has ever worked for that bar will ever be allowed to run their own pub

Objections have been lodged in advance

██████████ will not be hired by any law firm known to me

that mad theatre course at glasgow will be deprived of funding in the fullness of time

So emigrate but not to anywhere I go on holiday keep out of my way and keep out of the way of anyone I know and do not defame people

That is frankly all I have to say on the matter

there are also a number of people signing on as you put it and working in the hawley arms and they are not declaring tips for tax

A number of people also do not have leave to remain in the country
